About Us

We are the brand "SAJAL" a name of faith and quality in dairy industry, delivered our best quality dairy products since 1992. The SAJAL Dairy Products journey begins from a small-scale industry established in 2004 by Mr. Satish Chand Bansal Ji with a vision and a mission, Vision to provide best quality traditional milk and milk products by using latest technology to our customers, and Mission to increase wealth of our farmers and rural development.

Under his guidance and patronage company grow and establish a Dairy Products production facility named M/s Jasram Milk Foods Pvt. Ltd. located at Village Diholi Near Diholi Police Station Dholpur - Rajakheda Road Distt. Dholpur (Rajasthan) in 2020.

We produced here the world class dairy products i.e. Skimmed Milk Powder, Dairy Whitener, Butter, Ghee, Paneer, etc with compliance world class standards by using latest technology and skilled technologist.

**Gawa
Ghee**

Gawa ghee is a type of clarified butter that's made from cow's milk and is commonly used in Indian (Bengali) and South Asian cuisines.

Intended Use: It's often eaten with rice or rotis, or mixed into curries or dal. Gawa ghee is typically not used for cooking, but rather as a flavorful accompaniment.

Taste: Gawa ghee is customized for the East Indian taste palette and has a rich, brownish color and aroma.

Health benefits: Gawa ghee is said to aid digestion, boost immunity, support heart health, and relieve joint pain.

It's also said to improve cognitive function and skin health.
